PAINT PROCESS AND WARRANTY PROCESO DE PINTURA Y GARANTÍA

DURABLE FINISH: Our 4 coat spray process begins with 1 coat of primer followed by 3 coats of paint. Each coat is then sent through a drying oven for a durable baked on finish.

ENVIRONMENTALLY FRIENDLY: Our paint process utilizes water based paints and the latest "green technology" spray equipment to help reduce solvent emissions that help promote better air quality and a greener environment.

WARRANTY: Our doors come with a 2 Year Finish Warranty, all doors are supplied with a touch up bottle.

FINAL DURABLE: Nuestro proceso de aerosol de cuatro capas comienza con una capa de cartilla seguida por tres capas de color. Cada capa entonces se enva lanza una estufa para un articulo cocido en final.

RESPECTUOSO DEL MEDIO AMBIENTE: Nuestro proceso de la pintura utiliza las pinturas a base de agua y la última tecnología verde equipo del aerosol a ayuda a reducir las emisiones solventes que ayudan a promover una mejor calidad del aire.

GARANTÍA: Nuestras puertas vienen con una garantía de dos aos del final, todas las puertas se suministran con botella de color para reparos.

Refer to the Feather River Brochure for full offering.
Refiera al folleto de Feather River Para selection completa.

Note: Colors shown in the brochure are an approximate representation of the actual color; Actual finished color may vary in tone/shade (darker or lighter) from what is shown in brochure. See an HD Millwork Associate to show actual color chip samples of the product in Smooth and Oak Woodgrain.

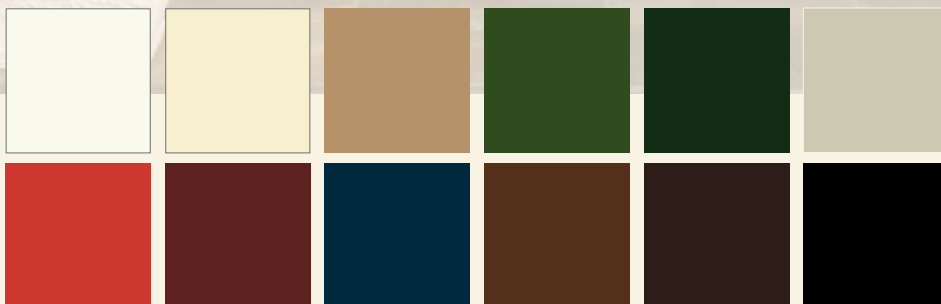

Nota: Los colores mostrados en el folleto son una representación aproximada del color real. El color real del acabado puede variar en el tono/sombra (más oscura o más clara) de lo que se muestra en el folleto. Consulte a un asociado de HD Millwork para ver muestras reales de paletas de colores del producto en Roble liso con textura de madera.
